#### **SCOPE OF WORK/ CONTRACT**

The Brief Scope of work involves the following.

- 1. False ceiling
- 2. Various furniture work consists of Work stations, partitions, storage etc.
- 3. Painting
- 4. GLASS WORK, PANELLING ETC
- 5. Various Electrical works consists of Lan Cabling etc

The Contractor shall carry out and complete the said work in every respect in accordance with this Contract and with the directions of and to the satisfaction of the Employer. The Architect with approval of Employer or Employer issue further drawings and/or written instructions, detailed directions and explanations which hereafter collectively referred to as 'Instructions' in regard to:

- a) The variation or modification of the design quality or quantity of works or the addition or omission or substitution of any work.
- b) Any discrepancy in the drawings or between the estimate and / or drawings and / or specification.
- c) The removal from the site of any defective material brought thereon by the contractor and the substitution of any other material thereof.
- d) The demolition removal and / or re-execution of any work executed by the contractor/s.
- e) The dismissal from the work of any persons employed there upon.
- f) The opening up for inspection of any work covered up.
- g) The rectification and making good of any defects under clauses hereinafter mentioned and those arising during the maintenance period (Defect Liability Period). The contractor shall forthwith comply with and duly execute any work comprised in such Employer's or his agent / Architect's instructions, provided always that verbal instructions, directions and explanations given to the contractor's or his representative upon the works by the Employer's or his agent / Architects shall, if involving a variation, be confirmed in writing to the contractor/s within seven days. No works, for which rates are not specifically mentioned in the estimate, shall be taken up without written permission of the Employer. The employer as provided in clause "variation" shall fix rates of items not mentioned in the estimate.

#### **GENERAL CONDITIONS OF CONTRACT**

In constructing these conditions, the specifications, the schedule of quantities, tender following words shall have the meaning herein assigned to them except where the subject or context otherwise requires.

- i. Employer: The term employer shall denote Mizoram Rural Bank having Head office at MINECO, Khatla, Aizawl, Mizoram and any of its employees representative authorized on their behalf.
- ii. RA: The term RA shall mean Running Account Bill
- iii. Advance payment means a payment made on a running account to a contractor for work done by him
- iv. Contractor: The term contractor shall mean \_\_\_\_\_ (Name and address of the contractor)
- v. Site: The site shall mean the site where the works are to be executed including any building and erection thereon, allotted by the employer for the contractors use.
- vi. Drawings: The work is to be carried out in accordance with drawings, specifications, estimate and any further drawings which may be supplied or any other instruction, which may be given by the Employer or Architects during the execution of the work. All drawings relating to work given to the contractor together with a copy of estimates are to be kept at site and the Employer / Architects shall be given access to such drawings or estimates wherever necessary. In case any detailed Drawings are necessary contractor shall prepare such detailed drawings and / or dimensional sketches therefore and have it confirmed by the Employer as case may be prior to taking up such work. The contractor shall ask in writing for all clarifications on matters occurring anywhere in drawings, specifications and estimates or to additional instructions at least 10 days ahead from the time when it is required for implementation so that the Employer may be able to give decision thereon.
- vii. "The Works" shall mean the work or works to be executed or done under this contract.
- ix. "The Estimates" shall mean the estimate as specified and forming part of this contract.
- x. "Priced bid" shall mean the priced with the accepted quoted rates of the contractor.
- xi. 'Notice in Writing' or written notice shall mean a notice in writing, type or printed characters sent (unless delivered personally or otherwise provided to have been received) by registered post to the last known private or business address or registered office of the addressee and shall be deemed to have been received when in the ordinary course of post it would have been delivered.
- xii. 'Virtual Completion' shall mean the premise is in the opinion of the Employer fit for occupation.
- xiii. Words importing persons include firms and corporations. Words importing the singular only, also include the plural and vice verse where the Context requires.

# FORM OF SUBMISSION OF TENDER (To be filled by the tenderer)

The General Manager,
Mizoram Rural Bank,
Head Office,Babu Tilla,
Zarkawt, Aizawl,
Mizoram 796007

		OORS IN PARTITION Providing and fixing flush doors of solid/ partly glazed/		
		ed in partition with 35mm thick solid core flush shutter finished with 1mm		
		of approved colour and shade on both sides with necessary grooves, 8mm		
17		or float glass of size 250 x 1400mm with etching fixed with required size		
17		N/ beach wood moulding/ beading as per drawing. Each door shutter shall led and fixed with hardware fittings like hinges (4nos.), hydraulic door		
		oor stopper, mortice lock, SS brush finish handles 32mm dia & 600mm long		
		sides, etc. ('Dorma' or equivalent make). All frames and shutters to be		
		with melamine polish/duco/PU paint after properly preparing the surface.		
		HICK TOUGHENED HALF SOLID GLAZED PARTITION Providing and fixing		
18	double sk	kin solid/fully or partly glazed partition with 6mm thick glass panels with		
10	film/ etch	ning/ acid wash in designs/ patterns for heights above 82inch & up ceiling		
	height as	per drawing and following specifications		
19		: Providing and fixing Carpet with not less than 1mm thick, floor Area		
	36x30ft			
		AICAL WORKS:		
	i)	POINT WIRING: Wiring for light point/ fan point/ exhaust fan point/ call		
20		bell point with 1.5 sq.mm FR PVC insulated copper conductor single core		
		cable in surface heavy gauge PVC conduit, with modular switch, modular plate, suitable GI box and earthing the point with 1.5 sq.mm. FR PVC		
		insulated copper conductor single core cable etc as required.		
	ii)	Wiring for group controlled (looped) light point/fan point/exhaust fan		
	11)	point/ call bell point ( without independent switch etc.) with 1.5 sq. mm		
		FRLS PVC insulated copper conductor single core cable in surface/		
		recessed PVC conduit, and earthing the point with 1.5 sq. mm FRLS PVC		
		insulated copper conductor single core cable etc. as required.		
	iii)	Wiring for twin control light point with 1.5 sq.mm FRLS PVC insulated		
		copper conductor single core cable in surface /recessed medium class		
		PVC conduit, 2 way modular switch, modular plate, suitable GI box and		
		earthing the point with 1.5 sq.mm FRLS PVC insulated copper conductor		
	<u>.</u>	single core cable etc. as required		
	iv)	Wiring for wall mount fans with 3 Module Box along with 1 no 6A socket and 1 no 6A Switch including 3 runs of 1.5 sq.mm PVC FR copper		
		conductor including all connections etc as regd.		
	EADTHIN	<b>G</b> Earthing with copper earth plate 600 mm X 600 mm X 3 mm thick		
		accessories, and providing masonry enclosure with cover plate having		
21	_	rrangement and watering pipe of 2.7 metre long etc. with bentonite		
	_	/ coke and salt as required.		
	i)	Providing and fixing 4.00 mm dia copper wire on surface or in recess for		
		loop earthing along with existing surface/ recessed conduit/ submain		
		wiring/ cable as required.		
		g and fixing 5 A to 32 A rating, 240/415 V, 10 kA, "C" curve, miniature circuit		
		uitable for inductive load of following poles in the existing MCB DB		
	a Single p	with connections, testing and commissioning etc. as required.		
22		pole and neutral	110	
	c Double		6	
	d Triple p	•	4	
		ole and neutral	4	
	MCB/DB			
	_	g and fixing following rating and breaking capacity and pole MCCB with		
23		agnetic release and terminal spreaders in existing cubicle panel board		
	_	drilling holes in cubicle panel, making connections, etc. as required.	4	
	_	OKA,FPMCCB GKA,FPMCCB	0	
	-	g and fixing of following ways surface/ recess mounting, vertical type, 415 V,		
		distribution board of sheet steel, dust protected, duly powder painted,		
		of 200 A tinned copper bus bar, common neutral link, earth bar, din bar for		
24	_	g MCBs (but without MCBs and incomer ) as required .
